Where dem playas, scream like a fiend for dat ghetty green
Gotta get da cream, get da cheese, dats by any means
If ya real, then throw ya set, let me see ya sign

While the gettin's good, gettin' mine, represent the hood
Try to hold me back that one time, but I'm to the good
Wanna see me locked in a cell, throw away the key
Haters want me dead but you tricks gotta bury me
Drinkin' Hennessey, full of herb, mentally I'm gone
Ready man to ride for my side if they right or wrong
