

# They Don't Know

## The Cootes

I don't know what I'm doing but I'm sure of myself  
Everything will work out fine but people have their doubts  
Fire in the hole there is nowhere to go  
And they don't know  
Fire in the hole there is nowhere to go  
When I gain control  
Everyone is tellin' me how to live my life  
They think they know how to live mine
