

She's Not Me (pt. 2)

Zara Larsson

She doesn't love you like I do
She doesn't have my name
However she tries to act like it
She'll never be the same

But she's new and she's beautiful
You've never been in a fight
Yeah it's awfully perfect now
But you just know deep inside

She's not me
She's not me
She's not me
Baby
She's not me

Does she make you feel wanted like I did
Make you feel like you're the one thing that matters
You let her head rest on your chest
But when you close your eyes

You'll be seeing my face again
I'll be crossing your mind
You'll be dreaming on places we went
And then you'll wake up to find

That she's not me
She's not me
She's not me
Remember
That she's not me
Mmmh-h-h-h-uuuuh-yeeeah
She's not me
She's not me
