

Hello

Beyoncé©

Oh!

Oh oh, oh oh oh oh.....

I love to see you walk into the room

Body shining lighting up the place

And when you talk, everybody stops

Cause they know you know just what to say

And the way that you protect your friends

Baby, I respect you for that

And when you grow, you take everyone you love along

I love that you don't fly me away

Don't need to buy a diamond key to unlock my heart

You shelter my soul

You're my fire when I'm cold

I want you to know

You had me at hello

Hello

Hello

You had me at hello

Hello

Hello

It was many years ago

Baby when you

Stole my cool

Cause you had me at hello

Hello

Hello, oh oh oh oh oh

I get so excited when you travel with me

Baby, while I'm on my grind

And never would I ever let my hustle

Come between me and my family time

You keep me humble out of this hype

Cause you know there's more to life

If I need you, you will be here

You will make the sacrifice

Don't fly me away

Don't need to buy a diamond key to unlock my heart

You shelter my soul

You're my fire when I'm cold
Just want you to know

You had me at hello

Hello

Hello

You had me at hello

Hello

Hello

It was many years ago

Baby when you

Stole my cool

Cause you had me at hello

Hello

Hello, oh oh oh oh oh

Gotta feel you and be near you

You're the air that I breathe to survive

Gotta hold you, wanna show you

That without you my sun doesn't shine

You don't have to try so hard for me to love you

Boy, without you my life just ain't the same

You don't have to try so hard for me to love you

You had me at hello!

You had me at hello

Hello

Hello

You had me at hello

Hello

Hello

It was many years ago

Baby when you

Stole my cool

Cause you had me at hello

Hello

Hello, oh oh oh oh oh

It was many years ago

Baby when you

Stole my cool

You had me at hello

Hello

Hello, oh oh oh oh oh.....
