## **Jesus Saves (live)**

## Savatage

Jesus was a talker Out of place New Yorker Hung out on the boulevard Sellin' nickel candies Saving all his quarters Bought himself a cheap guitar Started playing' bars The kids came in their cars You'd hear them shouting at the stage[Chorus] Jesus saves

Jesus savesJesus started changin'

Things got really strange

He saw his tee shirts everywhere

Started missing shows

The band came down to blows

But Jesus He no longer caredThings got out of hand

And so he quit the band

But still the critics they would rave[Chorus]Her him cut through the night

On your late night radio wavesSo the dice were cast

Today became the past

And Jesus He just disappeared

Headed for New York

Or so his label thought

And there he gave away the yearsLast seen drinking wine

Beneath a flashing sign

Promising salvation to strays[Chorus]Her Him cut through the night

On your late night radio waves
