

Turn It On

38 Special

Well, dancin' little lady, think you drive me crazy
I know what you are
You been dancin' and prancin'
I learned my lesson, Can't push the lady too far
You got to have your freedom
I know you'll tell me what you want
Sit back and take it easy
when you're ready you'll turn it on Turn it on (turn it on) yeah turn it on
You got fire in your blood and it's burnin' your bones
(turn it on) Yeah, turn it on,
You say the night-time's your life, you'll never go home
Turn it on Shake it little lady
Don't ya think it's gonna break me?
I'll even open up the door
Tired of all your teasin', you best be pleasin'
My time's reelin' to score Turn it on (turn it on) yeah turn it on
You got fire in your blood and it's burnin' your bones
(turn it on) Yeah, turn it on
You say the night-time's your life, you'll never go home
Turn it on
