

# Incomplete

[SisqÃ³](#)

Bright Lights, Fancy Restaurants  
Everything in this world that a man could want  
I got a bank account bigger than the law should allow  
Still I'm lonely now  
Pretty Faces from the covers of a magazine  
From their covers to my covers want to lay with me  
Fame and Fortune still can't find, just a grown man runnin' out of time

Even though it seems I have everything  
I don't want to be a lonely fool  
All of the women, all the expensive cars, all the money don't amount to you  
So I can make believe I have everything, but I can't pretend that I don't see  
That without you girl my life is incomplete  
Without you girl my life is incomplete

Listen  
Your perfume, your sexy lingerie  
Girl I remember it just like it was on yesterday  
A Thursday you told me you had fallen in love, I wasn't sure that I was  
It's been a year Winter, Summer, Spring and Fall  
But being without you just ain't livin' ain't livin' at all  
If I could travel back in time, I'd relive the days you were mine

Even though it seems I have everything  
I don't want to be a lonely fool  
All of the women, all the expensive cars, all of the money don't amount to you  
I can make believe I have everything, but I can't pretend that I don't see  
That without you girl my life is incomplete  
That without you girl

I just can't help lovin' you  
But I loved you much too late  
I'd give anything and everything to hear you say, that you'll stay

Even though it seems I have everything  
I don't want to be a lonely fool  
All of the women, all of the expensive cars, all of the money don't amount to you  
(you can have it all) I can make believe I have everything,  
but I can't pretend that I don't see (Just give me my baby)

That without you girl my life is incomplete

Even though it seems I have everything

I don't want to be a lonely fool

All of the women, all the expensive cars, all the money don't amount to you

So I can make believe I have everything, but I can't pretend that I don't see

That without you girl my life is incomplete

Without you girl

Without you girl

Without you girl you girl my life is incomplete

Without you girl you girl my life is incomplete

Oh yeah

My life is incomplete

Oh yeah, yeah
