

Pearls Before Swine

Corrosion of Conformity

Father, forgive me, Mother, forsake me
I think they've all become too strong
Brother, believe me, silence is deadly
And it's giving me the strength to carry on
Time has come, now I'm blind deaf and numb
You're killing me, well, you're killing me
When I look into your eyes I can see it's
The world that you despise
And you're giving me the strength to carry on
Forgive me
Look for the devils in their eyes
Laughing, the blood has long been dried
To hide in your disguise it goes on and on and on
Wallow, pearls before swine
If the liar deceives you
The the sin will appear true
Even if it leads me to the end
Killer accuse me, the devil breathes easy
And it's giving me the strength to carry on
Time has come, now I'm blind deaf and numb
You're killing me, well you're killing me
When I look into your eyes I can see it's
The world that you despise
And you're giving me the strength to carry on
Forgive me
Look for the devils in their eyes
Laughing, the blood has long been dried
To hide in your disguise it goes on and on and on
Wallow, pearls before swine
