a meeting of minds
a meeting of hearts and vibes
discuss the ideas
to locate some common ground
a meeting of minds
a meeting of hearts and vibes
built two angles
tangential oblique sounds
shouty bit:
the thread is picked up, followed, found - foundemit sounds to raise
an awareness to rise
erasurement of lives
this value is applied
emit sounds to raise
an awareness to rise
to spark a process
and overcome the inertia
shouty bit:
the thread is picked up, followed, found - found
