

# On My Father's Wings

## The Corrs

If you were with me now  
I'd find myself in you  
If you were with me now  
You're the only one who knew  
All the things we planned to do  
I want to live my life  
The way you said I would  
With courage as my light  
Fighting for what's right  
Like you made me believe I could  
And I will fly on my father's wings  
To places I have never been  
There is so much I've never seen  
And I can feel his heartbeat still  
And I will do great things on my father's wings  
This world I'll never see  
My dreams that just won't be  
This horse's stride with one day's ride  
Will have covered more distance than me  
And I will fly on my father's wings  
To places I have never been  
There is so much I've never seen  
And I can feel his heartbeat still  
And I will do great things on my father's wings  
Someday with his spirit to guide me  
And his memory beside me, I will be free  
To fly on my father's wings  
To places I have never been  
There is so much I've never seen  
And I can feel his heartbeat still  
And I will do great things on my father's wings  
On my father's wings
