Sensible

Face to Face

Someone tell me that I'm wrong
Someone tell me that I'm right
Someone tell me where I'm goingI guess, it's safe to say
I don't know what I want
But I can't wait forever
It isn't difficult at allI don't know what I want
But I can't wait forever
It isn't difficult at allIt makes no sense to meSomeone tell me that I'm black
Someone tell me that I'm white
Someone tell me that it's going
To make a differenceI don't know what I want
But I can't wait forever
It isn't difficult at all
It makes no sense to me
