In This Life

John Rowles

For all I've been blessed with in my life
There was an emptiness in me
I was imprisoned by the power of gold
With one kind touch you sent me free

let the world stop turning
Let the sun stop burning
Let them tell me love is not worth goin' through
If it all falls apart
I will no deep in my heart
The only dream that mattered had come true
In this life I was loved by you

for every mountain I have climbed
Every raging river crossed
You were the treasure that I longed to find
Without your love I would be lost

let the world stop turning
Let the sun stop burning
Let them tell me love is not worth goin' through
If it falls apart
I will know deep in my heart
The only dream that mattered had come true
In this life I was loved by you

I know that I will live forever
But forever ill be loving you

let the world stop turning
Let the sun stop burning
Tell me loves not going through
If it all falls apart I will know deep in my heart
The only dream that mattered had come true
In this life I was loved by you
