

Forevermore

Wavorly

Long before the earth
Before there was light
 Lord You were
 Endless are You God
No time can contain all you are
There's no other God before You
There is no other one to replace you
 You are forevermore
And there's no other God I call to
 You are the One I cling to
 You are forevermore
 Faithful are You God
 You never change
 Lord You are
 Only You are God
 Forever You reign above it all
There's no other God before You
There is no other one to replace You
 You are forevermore
And there's no other God I call to
 You are the One I cling to

 You are forevermore
 There's no other
 No on Greater
 There is none like You
 There's no other
 No on Geater
 There is none like You
There's no other God before You
There is no other one to replace you
 You are forevermore
And there's no other god I call to
 You are the one I cling to
 You are forevermore
There's no other God before You
There is no other one to replace you
 You are forevermore
And there's no other god I call to

You are the one I cling to
You are forevermore
You are forevermore
