

This Time the Dream's on Me

[Nancy Wilson](#)

Somewhere, someday
Well be close together, wait and see
Oh by the way,
This time the dreams on me You take my hand
And you look at me adoringly
But as things stand
This time the dreams on me It would be fun
To be certain that I'm the one
To know that I, at least, supply the shoulder you cry upon To see you through
Till you're everything you want to be
It can't be true, but
This time the dreams on me It would be fun
To be certain that I'm the one
To know that I, at least, supply the shoulder you cry upon To see you through
Till you're everything you want to be
It can't be true, but
This time the dreams on me
