

The Last Lap

Acid Drinkers

Don't give up
Give all that you got
This is your final lap
Open the door
Because you need some more
The stuff that you adore
Crawl as a snake
And never take a break
It's like a piece of cake
Play tha piano
Repair your car
Prepare the meal
Hurry up
It's your last lap
You gonna make it
You gonna take it
You gonna break it
