

The late greats (live)

Wilco

The greatest lost track of all time
The Late Greats' Turpentine
You can't hear it on the radio
Can't hear it anywhere you go
The best band will never get signed
The Kay-Settes starring Butchers Blind
So good you won't ever know
They never even played a show
Can't hear them on the radio
The greatest singer in rock 'n' roll
Would have to be Romeo
His vocal cords are made of gold
He just looks a little too old
The best songs will never get sung
The best life never leaves your lungs
So good you won't ever know
You'll never hear it on the radio
Can't hear it on the radio
