

Threshold

Stavesacre

Go ahead raise your fist
Revel in your mire and filth
Like a fat little
Pink gets ugly quick
Parading your waste
Oblivious and insolent Why don't I
Just put you out of your misery
Out of sympathy
I can only stand it so long Go ahead flash your smile
A season of fattening
Prime of the canine
And swine-bred children of guile
Carry on, carry on
I know who I am
Wretched worm
My self deserving of hell
I fell onto mercy you despised
And denied Watching you torture yourself
And whoever else you can bring down
With you
