Washed By The Water

NEEDTOBREATHE

Daddy was a preacher
She was his wife
Just trying to make the world a little better
You know, shine a light
People started talking
Trying to hear their own voice
Those people tried to accuse my father
Said he made the wrong choice
Though it might be painful
You know that time will always tell
Those people have long since gone
My father never failedEven when the rain falls
Even when the flood starts rising
Even when the storm comes
I am washed by the waterEven if the Earth crumbles under my feet
Even if the ones I love turn around and crucify me
I won't never ever let you down
I won't fall
I won't fall
I won't fall as long as you're around me
