

Lovin' up a Storm

[Jerry Lee Lewis](#)

When our kisses fly like oak leaves
Caught in a gust of wind
My heart beats fast, a clickty-clack
Like a train goin' round a bend I call that lovin' up a storm!
I said that's lovin' up a storm!
Well it's good for you honey
It won't do you no harm Ah when we get with it darlin'
All I can hear is a sigh
Something touches you deep in your heart
Like it's lightin' from the sky I call that lovin' up a storm!
Whoaa Lovin' Up a storm!
Well it's good for you baby
It won't do you no harm When we're embracing darlin'
I get wild as a hurricane
Ah when we kiss Great Balls of Fire!
Ice-water's running through my veins I call that lovin' up a storm!
Ohhh lovin' up a storm!
Well it's good for you baby
It won't do you no harm Well it's good for you baby
It won't do you no harm
Oh... It's good for you baby
It won't do you no harm
