

# Aquarius

## Aqua

Aquarius, was born the night  
The shining stars, needed brighter shining light  
Aquarius, was my savior  
It came along, like a blast from out of sight  
When I was weak, you came along  
Enlightened me, covered the sun  
You seduced me, I can never ever run 'Cause I, can only lose when I'm, Aquarius  
You're the power that I need  
To make it all succeed, can you hear me call? Aquarius, is the stardust  
It kills the faith, and the only one I trust  
It calls your name, and you listen  
It steals your soul, and your hunger and your lust  
For life, and being free  
(It's killing me, it's killing me)  
It's dragging you, it's killing me  
(it's killing me, it's killing me)  
You seduced me, I can never ever run 'Cause I, can only lose when I'm, Aquarius  
You're the power that I need  
To make it all succeed, can you hear me call?  
Can you hear me call? I wish the stars would turn you in  
And leave me standing in the wind  
I wish the devil gave you up  
And all the snow would melt and stop  
This is it, I can't run away  
You're controlling my life, and I can hear me say 'Cause I, can only lose when I'm, Aquarius  
You're the power that I need  
To make it all succeed I wish the stars would turn you in  
And leave me standing in the wind  
I wish the Devil gave you up  
And all the snow would melt and stop
