Lumina

The Rogue Element

Lumina
Come and wrap around me
Lumina
Take me through the snowEve take a train, Eve took a train
Went to see her man
Melting inside, melting away
Like butter in the panLumina
Come and wrap around me
Lumina
Take me through the snowEve took a fruit, Eve bit the fruit
Just ran down her chin
Babies will put things in their mouths
Never heard of sinLumina
Open like the sea
Lumina
Sing me in the darkEve had to ask, Eve had to ask
What is wrong with this?
Here is the place, now is the time
Let's invent the kissLumina
Come and wrap around me
Lumina
Come and wrap around meCome and wrap around me
Come and wrap around me
Come and wrap around me
