

Love Is Like Oxygen

Sweet

Love is like oxygen
You get too much you get too high
Not enough and you're gonna die
Love gets you high

Love is like oxygen
(love is like oxygen)
You get too much you get too high
(you get too much you get too high)
Not enough and you're gonna die (gonna die)
(love is like oxygen)
Love gets you high

Time on my side
I got it all
I've heard that pride
Always comes before a fall

There's a rumour goin' round the town
That you don't want me around
I can't shake off my city blues
Every way I turn I lose

Love is like oxygen
(love is like oxygen)
You get too much you get too high
(you get too much you get too high)
Not enough and you're gonna die (gonna die)
(love is like oxygen)
Love gets you high

Love is like oxygen
(love is like oxygen)
You get too much you get too high
(you get too much you get too high)
Not enough and you're gonna die (gonna die)
(love is like oxygen)
Love gets you high

Time is no healer

If you're not there
Lonely fever
Sad words in the air

Some things are better left unsaid
I'm gonna spend my days in bed
I'll walk the streets at night
To be hidden by the city lights, city lights

Love is like oxygen
(love is like oxygen)
You get too much you get too high
(you get too much you get too high)
Not enough and you're gonna die (gonna die)
(love is like oxygen)
Love gets you high

Love is like oxygen
(love is like oxygen)
You get too much you get too high
(you get too much you get too high)
Not enough and you're gonna die (gonna die)
(love is like oxygen)
Love gets you high

Love is like oxygen
Love is like oxygen
Love is like oxygen
