Don't Start Me Talkin'

Rory Gallagher

Well I'm goin' Down The Road
Stop in Fanny Mays
Gonna tell Fany what I heard her boyfriend say
Don't start me talkin'
I'll tell you everything I know
I'm gonna break up this signifying', cause somebody's got to go
Jack gave his wife two dollars
To go down town to get some market
Ol' George stops her
He knocked her down
And blackend her eye
She gets back home tells her husband a lie
Don't start me talkin'
I'll tell you everything I know
I'm gonna break up this signifin' cause somebody got go
She borrowed some money
To go to the beauty shop
She honked his horn
She began to start
She said bay take me 'round the block
I'm going to the beauty shop
To have my hair socked
Don't start me talkin'
I'll tell you everytjhing I know
I'm gonna break up this signifin' cause somebody got to go
