

# Selling God

## Into Eternity

Selling your God  
Preaching the word of the  
fallen one  
Asking your price  
Your fee will be damnation  
Sinners selling God door to door  
Masking lies  
Why do you? Sell God  
Follow the Lord will set you free  
Hoping to live for eternity  
Led to believe he was the one  
Your life returned  
It wasn't gone
