

# Gangsta Boy

## Lana Del Rey

My gansta boy  
Ooooooh-oh  
I don't care if you're going to prison  
I wouldn't say I l-love you if I didn't  
I can cheat cause I know what I'm missin  
Bwoop-bwoop-bwoop-dee-do  
(Ah!)  
I won't play cause I'm already winnin?  
Kissing your lips hot-hot like I'm sinnin?  
High school, loved you from the beginnin?  
Bwoop-bwoop-bwoop-dee-do  
I want you, you, you  
By my swimming pool  
You, you, you  
That would be so cool  
You're my gangsta boy  
You're my gangsta boy  
Cause you're my favourite toy  
You're my favourite toy  
Get you out  
Get you up  
No, I'll ever never stop  
You're my gangsta boy  
You're my gangsta boy  
Ooh ooh  
B-b-b-bb-boy  
Ooh ooh  
B-b-b-bb-boy  
Ooh ooh  
B-b-b-bb-boy  
Ooh ooh  
My gangsta boy  
I don't care what my girls and my mama say about you  
Bad boy  
I like the drama  
We can ditch 'em all while you're out, if you wanna  
Bwoop-bwoop-bwoop-dee-do  
Like your leather and your long hair, honey, honey  
You can bring your love and baby, I got the money

Love you baby boy  
Like I never loved nobody  
Bwoop-bwoop-bwoop-dee-do  
I want you, you, you  
By my swimming pool  
You, you, you  
That would be so cool  
You're my gangsta boy  
You're my gangsta boy  
Cause you're my favourite toy  
You're my favourite toy

Get you out  
Get you up  
No, I'll ever never stop  
You're my gangsta boy  
You're my gangsta boy  
Ooh ooh  
B-b-b-bb-boy  
Ooh ooh  
B-b-b-bb-boy  
Ooh ooh  
B-b-b-bb-boy  
Ooh ooh  
My gangsta boy  
Summer's almost over, baby  
Everybody thinks I'm crazy  
I could have it all  
But it means nothing without you  
Boy, I've been so lonely lately  
I'll never get tired of waiting  
I could have the world  
But it means nothing without you  
You're my gangsta boy  
You're my gangsta boy  
Cause you're my favourite toy  
You're my favourite toy  
(Ew!)  
You're my gangsta boy  
You're my gangsta boy  
Cause you're my favourite toy  
You're my favourite toy  
Get you out  
Get you up  
No, I'll ever never stop

You're my gangsta boy

You're my gangsta boy

Ooh ooh

B-b-b-bb-boy

Ooh ooh

B-b-b-bb-boy

Ooh ooh

B-b-b-bb-boy

Ooh ooh

My gangsta boy

Ooh ooh

B-b-b-bb-boy

Ooh ooh

B-b-b-bb-boy

Ooh ooh

B-b-b-bb-boy
