You To Miss

Love and Theft

Some people try to hide
They try to move on
Cant stand the pain of you gone but baby that's not me
I'd never try to ease the ache that I feel the pain reminds me how real this love has come to beAnd I'm not running scared
I will stay right where
I gave you my word
That I would beChorus:
And I don't want to hurt
But I know I have to feel
I do it to be close to you
Just to keep you real
And I don't want to cry
But tears are part of life they conquer the impossible
And make you feel alive
And I'm so glad,my love
That I have you to missSome people try to fake
They don't feel this
Cant stand to face the realness so they just run away oh,but I want nothing more than you to hold me
So intimately know me
So ill hurt along the wayAnd I'm not running scared I will stay right where
I gave you my word
That I would beRepeat chorusAnd it could never hurt so bad that I would trade the love we have
And it could never cut so deep that I would never want to leaveRepeat chorusI'm so glad,my love that I have you to miss
And I'm glad my love that I have you to miss
