

# I Can't See Why

**Baxter**

I would be so glad  
If you could tell me why I don't fit in  
'Cause in my dreams  
I wonder why you can't accept my kind of love I have to ask you  
If you ever will regret your sad behavior  
Just tell me once again  
If you have dreams of me becoming you I can't see why  
You can't be here I would be so glad  
If you could tell me why I don't fit in  
'Cause in my dreams  
I wonder why you can't accept my kind of love I have to ask you  
If you have a real regret your sad behavior  
Just tell me once again  
If you have dreams of me becoming you I can't see why  
You can't be here
