

Wiser Time

The Black Crowes

No time left now for shame, horizon behind me, no more pain
Windswept stars blink and smile, another song, another mile
You read the line every time, ask me about crime in my mind
Ask me why another read song, funny but I bet you never left home

[Chorus:]

On a good day, it's not every day,
We can part the sea
And on a bad day, it's not every day,
Glory beyond our reach

Seconds until sunrise, tired but wiser for the time
Lightning 30 miles away, three thousand more in two days

[Chorus]
