Can you hear me?
Can you see any part of me?
Can you feel me?
Can you bleed for me?Can't you see me walkin' in your shoes?
Can't you feel me steppin' all over your soul?
Can't you feel me reach into you?Can't you feel me walkin' over your soul?
Can't you feel me wait in pain?
Can't you feel me reach into you?Can't you see me walkin' in your shoes?
Can't you feel me steppin' all over your soul?
Can't you feel me reach into you?Can't you feel me walkin' over your soul?
Can't you feel me wait in pain?
Can't you feel me reach into you?Can't you feel me walkin' over your soul?
Can't you feel me wait in pain?
Can't you feel me reach into you?
