

Betcha Never

[Vanessa Williams](#)

I saw you with that girl last night, the both of you were making eyes
You did it right in front of my face as if I had no pride
And now youre always working late, you never have much time for me
And youre expecting me to believe that youre not out with she
Tonight, I give you my surprise, I hope that you
wont mind
Im giving you an eye for an eye
Baby, Ive found another and he is my lover
And Im going out for the rest of your life
I betcha never thought Id go that far
I betcha never thought Id break your heart
I betcha never even thought at all
I betcha never, no you never
I betcha never thought Id go that far
I betcha never thought Id break your heart
I betcha never even thought at all
I betcha never, no you never
I know that everybody lies, that I know I cant deny
But what if it's intentional, the intention of your crime
'Cause I know how much I can take, I know my heart demands a change
If I cant have my way, then all I have to say
Tonight, I give you my surprise in return for all the lies
Im giving you an eye for an eye
Baby Ive found another and he is my lover
And were going out for the rest of your life
I betcha never thought Id go that far
I betch never thought Id break your heart
I betcha never even thought at all
I betcha never, no you never
I betcha never thought Id go that far
I betcha never thought Id break your heart
I betcha never even thought at all
I betcha never, no you never
