

Letter from America

The Proclaimers

When you go will you send back a letter from America?
Take a look up the rail track from Miami to Canada

Well broke off from my work the other day
Spent the evening thinking about all the blood that flowed away
Across the ocean to the second chance
I wonder how it go on when it reached the promised land

When you go will send back a letter from America?
Take a look up the rail track from Miami to Canada

I've looked at the ocean tried hard to imagine
The way you felt the day you sailed from Wester Ross to Nova Scotia
We should have held you, we should have told you
But you know our sense of timing we always wait too long

When you go will you send back a letter from America?
Take a look up the rail track from Miami to Canada

Lochaber no more, Sutherland no more
Lewis no more, Skye no more
Lochaber no more, Sutherland no more
Lewis no more, Skye no more
Lochaber no more, Sutherland no more
Lewis no more, Skye no more

I wonder my blood will you ever return
To help us kick the life back to a dying mutual friend?
Do we not love her I think we all tell you about
Do we have to roam the world to prove how much it hurts?

When you go will you send back a letter from America?
Take a look up the rail track from Miami to Canada

Bathgate no more, Linwood no more
Methil no more, Irvine no more
Bathgate no more, Linwood no more
Methil no more, Irvine no more

Bathgate no more, Linwood no more

Methil no more, Irvine no more
Bathgate no more, Linwood no more
Methil no more, Lochaber no more
