

Gasoline

Seether

Last night, I saw that beauty queen
Watched her paint her face on
Wanna be that magazine
That she bases life onWanna waste her monthly blood
Wanna get some on my love
Wanna get some gasoline
Burn her house downShe got nothing to say
She's got bills to pay
She's got no one to hate
Except for meLast night, I saw that beauty queen
Getting high on Revlon
Wanna be that magazine
That she wastes her life onWanna waste her monthly blood
Wanna get some on my love
Wanna get some gasoline
Burn her house downShe got nothing to say
She's got bills to pay
She's got no one to hate
But except for me, meWhen I saw that beauty queen
Watched her paint her face on
I wanna be the one unclean
She wipes her ass onWanna waste her monthly blood
Wanna get some on my love
Wanna get some gasoline
Burn her house downShe got nothing to say
She's got bills to pay
She's got no one to hate
Except for meShe's got nothing but shame
She takes pills for pain
She's got no one to blame
Except for me, for me
