

Plantashun Boiz - Dont You Know

Plantashun Boiz

Chorus- My babie don't you know that i,
Really love you so,
And i'll, never let you go, cause i'm the only one who loves you back.
(REPEAT CHORUS).

Oh my babie dont you know,
That i really love you so,
And i'll never ever let you go.

Verse 1- I can't believe you've done this to me,
(You put me into a magic spell, the first time i saw your face).
You said i was the only one for you,
(All the things that you've done to me, it made me feel the way i feel).
I can't go on, if you're not in my side,
(Like a robot, you got me programmed to fall for you).
You strike me with thunder and fire,
(Every time i see you, you lift my spirit higher).

solo 1- I can't go on with the feelings of the things that you do,
Is like, dancing to a different kind of groom,
I look at you and it seems to me that my heart will overflow,
Cause in the light and the darkness, my soul always glows.

bridge- What can i do, to prove this to you,
(Cause all this days, i can't think of nothing else).
What can i do , to make you understand,
(Cause you got me psycho triping).

(REPEAT CHORUS).

Verse 2- Look into my eyes and tell me what you see,
(I see longer desires, only you can stop that fire).
Said i looked at you and i loose my self control(lord),
Gurl, you're killing me slow slow, said you must be the only love i'm feeling
(realize, memorize, mezmelize, see me nice, understand).

Solo 2- I still can't go on with the feelings of the things of that you do,
Every that i will do is just for me and you,
And i will treat you like a lady better than no one could ever do,

Cause you're killing me, killing me, killing me softly.

X Repeat
