

I Never Learnt To Share

James Blake

My brother and my sister don't speak to me

But I don't blame them

But I don't blame them

My brother and my sister don't speak to me

But I don't blame them

But I don't blame themMy brother and my sister don't speak to me

But I don't blame them

But I don't blame them

My brother and my sister don't speak to me

But I don't blame them

But I don't blame themMy brother and my sister don't speak to me

But I don't blame them

But I don't blame themMy brother and my sister don't speak to me

But I don't blame them

But I don't blame them

But I don't blame them

But I don't blame them

But I don't blame themMy brother and my sister don't speak to me

But I don't blame them

But I don't blame them

But I don't blame themMy brother and my sister don't speak to me

But I don't blame them

But I don't blame them

My brother and my sister don't speak to me

But I don't blame them

(But I don't blame them)But I don't blame them

(But I don't blame them)

But I don't blame them

(But I don't blame them)

But I don't blame them

(But I don't blame them)(But I don't blame them, but I don't blame them)

But I don't blame them

(But I don't blame them)

But I don't blame them

(But I don't blame them)But I don't blame them

(But I don't blame them)

But I don't blame them

(But I don't blame them)But I don't blame them

But I don't blame them
