Punx Not Dead, I Am

Morning Glory

There'll be no justice
There'll be no peace
There'll be more hippies
It'll never cease
We keep calm and carry on
There'll be more questions than answers come
They'll make a martyr of you, my son
But we keep calm and carry on
We just keep calm and carry on
I am not dead yet
I am not done
There's still so much here under the sun
So many songs that are yet unsung
I am not dead
I am not dead
I am not doneThere'll be more god's hate
And religious war
There'll be more causes that we must endure
But we keep calm and carry on
We just keep calm and carry on
I am not dead yet
I am not done
There's still so many songs to be sung
So much to live for and to be said
I am not done
I am not dead
I am not done
