

Million

Frenzal Rhomb

I know you're wanting things to change
Why can you see that they're just the same
We could be so strong if we tried
Why can't you just see the other side
There must be a million ways to try
Why can't we talk about what went
wrong
When you're face to face with a uniform
I don't have to trust what you believe
It's not that difficult to see
Oh yeah
