Sweet River Tree

Diane Birch

Sweet river tree,
All your dreams have fallen one by one.
Youre going to find they sink one by one.
Cold hands are moving on your grave
Not many know that youre not safe.Youre going down Youre going downSweet river tree all your dreams are falling one by one
No victory in shadow of a rich mans gun
Sweet river tree youre gonna pay
No body is there to heal the painTheyre going down
Theyre going downHolly holly
Heavens trumpet sounds
Hallelujah
Heavens burning downSweet river tree all your dreams have fallen one by one
No victory in the shadow of a machine gun
Sweet river tree youre gonna pay
Nobodys there to heal the painTheir going down their going down///Holly holly heavens trumpet sounds, Halleluiah
Heaven is burning down, is burning down///
Is burning down
Sweet river tree
Sweet river tree
