

I Don't Care Anymore

[Chris Rea](#)

I don't care anymore
All the things i hear you say
Don't care anymore
You're always lying anyway
Got a sweet little girl
And it's such a sunny day
I heard it all before
Gonna hear it some more
But you must understand one thing
I don't care anymore I got a sweet little girl
And it's such a sunny day
I heard it all before
Gonna hear it some more
I don't care
I don't care anymore
