

Live Without Love (Reel People Instrumental Mix)

Imaani

Everybody knows that my love is
for you, wasting precious time
trying to prove that is truth,
why you make it so hard, just
believe me when I say, there's no
better place in my world than
with you, don't wanna live...I don't want, I don't wanna, I
don't want I don't wanna live
without your love,
I just can't, I just can't go, I
just can't, I just can't go on
without your love. Take my breath away, every time
that you're near, fever running
hot, can't you feel, it's for
real, what do I have to do, you
should know it by now, if there's
more that I can do, want you
please show me how, I don't wanna live without, gimme your love I just, I don't wanna, I don't want I don't
wanna, I just can't I don't wanna, I
don't want, I don't wanna live
without your love,
I just can't, I just can't go, I
just can't, I just can't go on
without your love. I don't want, I don't wanna, I
don't want I don't wanna live
without your love,
I just can't, I just can't go, I
just can't, I just can't go on
without your love. I'm fascinated, let's activate it
I'm in love with you, already stated that I'm a lady
don't you feel it too, we hesitated, when we created
this thing we two, but, we're
fated, can't separated, wanna be
with you, yeah, can't go on, I don't wanna live without your love...
