

Lean On Me

Rascal Flatts

Lean on me when you're not strong
And I'll be your friend, well, I'll help you carry on
For it won't be long till I'm gonna need
Somebody to lean on
So just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'd understand
And we all need somebody to lean on
Lean on me when you're not strong
And I'll be your friend, I'll be your friend, I'll help you carry on
For it won't be long till I'm gonna need
Somebody to lean on
I said, for it won't be long till I'm gonna need
Somebody to lean on
