

Dry My Soul

[Amanda Jenssen](#)

Dry my soul, Dry my soul, Dry my soul,
Gone Dry my soul, 'causes I'm all alone
Dry my soul, Dry my soul, Dry my soul,
Gone Dry my soul, 'cause I'm all alone
My baby, My baby,
Can see I'm blind, You're make me
My baby, You paint me blue
My baby, My baby,
Can see I'm blind, You're make me
My baby, You paint me blue Or I'll be work in digital hour
to put my blues in, each aim you call
Guvnor on my head, you're in the night off
it's all been flooded
come in sense, stall my fight
Come... dry my soul, Dry my soul, Dry my soul,
Gone Dry my soul, 'causes I'm all alone
My baby, My baby,
Can see I'm blind You're make me
My baby, You paint me blue
My baby, My baby,
Can see I'm blind, You're make me
My baby, You paint me blue You're in this big shoes, shuffle in frown
Can breeze your whispers, all over town
Can tell the deeper is... is a five of agree
My be a day friends, either wait... make me bleed Dry my soul, Dry my soul, Dry my soul,
Gone Dry my soul, 'causes I'm all alone
Dry my soul, Dry my soul, Dry my soul,
Gone Dry my soul, 'cause I'm all alone
My baby, My baby,
Can see I'm blind, You're make me
My baby, You paint me blue
My baby, My baby,
Can see I'm blind, You're make me
My baby, You paint me blue Gone Dry my soul, 'cause I'm all alone
