## HOLDING BACK ENTIRELY

if you take your time and wait  
let all the spirits fade  
you wanna walk like this and talk like this  
cause you say soits eating snow, like we used to  
its different though  
without your mad love rushing down on meif you take your time and wait  
let all the spirits fade on the demerol  
you wanna kiss like this, hold hands like this  
cause you want tocome next summer, im going down to the real world  
lyrics to this song is what i need right now  
come next summerits eating snow, like we used to  
its different though  
without your mad love rushing down on me2011, by The Runaround INC. All Rights Reserved.
