

# No Such Thing

[Reba McEntire](#)

Well, there's news flying 'round  
On the nosy side of town  
That I have gone and found somebody new  
Well, there are to be a law  
Against the way some people talk  
I guess sometimes it's all they have to do  
Oh, there ain't no such thing  
As me not loving you  
Honey, there ain't no such thing  
As me not being true  
So, believe your heart and not your ears  
Your heart knows what is true  
There ain't no such thing  
As me not loving you  
Well, a love like yours and mine  
Has got to deal with the jealous kind  
But I don't mind there's nothing I can do  
'Cause their words can do no harm  
With you, here, in my arms  
So, they can talk until their talk turn blue  
Oh, there ain't no such thing  
As me not loving you  
Honey, there ain't no such thing  
As me not being true  
So, believe your heart and not your ears  
When your heart knows what is true  
There ain't no such thing  
As me not loving you  
There ain't no such thing  
As me not loving you  
Oh, no
