Love Will Keep Us Alive

The Eagles

I was standing
All alone against the world outside
You were searching
For a place to hideLost and lonely
Now you've given me the will to survive
When we're hungry
Love will keep us aliveDon't you worry
Sometimes you've just gotta let it ride
The world is changing
Right before your eyesNow I've found you
There's no more emptiness inside
When we're hungry
Love will keep us aliveI would die for you
Climb the highest mountain
Baby, there's nothing I wouldn't doNow I've found you
There's no more emptiness inside
When we're hungry
Love will keep us aliveI would die for you
Climb the highest mountain
Baby, there's nothing I wouldn't doI was standing
All alone against the world outside
You were searching
For a place to hideLost and lonely
Now you've given me the will to survive
When we're hungry
Love will keep us aliveWhen we're hungry
Love will keep us alive
When we're hungry
Love will keep us alive
