How Strange (feat. Bijou)

Truth

I'm scared I can't breathe
Why must I fear everythingI wanna feel something,
AnythingI wanna feel somethingMy imagination,
Plays tricks on meAnd how strange it isCall me a poor slave
Darkness pulls my body outLook at myself, no soulI wanna feel something,
AnythingAnythingI'm scared I can't breathe
Why must I fear everythingI wanna feel somethingI can't believe what I've seen
I fell asleep, still I dreamedI wanna feel something,
Anything
