

Jazzersize in a Tie

Inkwell

If you can't then I won't and we'll both stop

Let's stop this conversation

If you can't then we won't and we'll both stop I stopped listening in the middle of the backseat this time

I stopped listening Over and over again, we'll find a better way

Fall asleep next to me, say, say it

If you dream of simple things, say, say it Something's happening in the middle of the backseat this time

Something's happening Over and over again, we'll find a better way

Fall asleep next to me, say, say it

If you dream of simple things, say, say it Do you think you're strong enough?

Do you think you're strong?

Do you think you're strong enough?

(If you can't then I won't and we'll both stop

Say, say it. Say, say it.)

Do you think you're strong enough?

(If you can't then I won't and we'll both stop

Say, say it. Say, say it.)

Do you think you're strong enough? Fall asleep next to me.

Fall asleep next to me.

Say, say it.

If you dream of simple things,

Say, say it. Say, say it.

Fall asleep, fall asleep, say, say it.
