Heartbroken

Meaghan Smith

This Stupid Heart
This Foolish Thing
Failed Me From The Start
Keeps Malfunctioning
Always Dropping Beats
And Falling Fast
Until it Bleeds Me Dry at Last.

Tell Me You Kings Horses
And All You Kings Men
What's the Use of Fixing What Will Only Break Again.

Heartbroken
Heartbroken

What's the Use In Fixing,
What Will Kill Me In The End?
Put Me Back Together
Iâ€™m Still Heartbroken.

Well I Fixed It Up
With Safety Pins
But You Stole The Key
And Broke Right In
You Cut My Strings
And You Hung Me High
When I Crossed This Heart
And Hoped To Die
Tell Me If You Love Me
Tell Me If You Can

Whatâ€™s The Use In Fixing,
What Will Only Break Again?

Heartbroken
Heartbroken

Oh- Whatâ€™s The Use Of Fixing,
What Will Kill Me In The End?
Put Me Back Together,

Iâ€™m Still Heartbroken.

Heartbroken
What A Bitter End
I Was On The Mend

But I Here I Am Again.

Heartbroken
Heartbroken

Whatâ€™s The Use In Fixing,
What Will Kill Me In The End?
Put Me Back Together
Iâ€™m Still Heart Broke-

Heartbroken!
((Heart Broken, Heart Broken))
Heartbroken!

Oh- Whatâ€™s The Use Of Fixing,
What Will Kill Me In The End?
Put Me Back Together,
Iâ€™m Still Heartbroken.
