

No Future/No Past

Cloud Nothings

Give up
Come to know
We're through Give up
Come to know
We're through Give up
Come to know
We're through Give up
Come to know
We're through Give up
Come to know
We're through Give up
Come to know
We're through Give up
Come to know
We're through Give up
Come to know
We're through No future, no past
No future, no past
No future, no past
No future, no past No future, no past
No future, no past
No future, no past
No future, no past No future, no past
No future, no past
No future, no past
No future, no past
