Ordinary

Jeff Coffey

Well I never claim to be so hip
?Cause I always looked like a fool
Was never that popular in school
Lived every day in the life of a stupid kid
But that was long before I met you
It?s funny what love can do

?Cause now I?m
Changing everything about me
Changing all the idiosyncrasies
They make me feel so ordinary
(Now I?d)
I?d throw it all away for you
(New side)
And turn it into something new
?Cause I don?t wanna be ordinary

You seem to find the worst in me
?Cause you never like to hear me talk
And you don?t like the way I walk
So I?m still playing along with your fantasy
Well check out my glamorous new profile
I?m coming out in style

?Cause now I?m
Changing everything about me
Changing all the idiosyncrasies
They make me feel so ordinary
(Now I?d)
I?d throw it all away for you
(New side)
And turn it into something new
?Cause I don?t wanna be ordinary

Sometimes I really miss myself
I don?t wanna be somebody else
So from now on there?ll be no more

Changing everything about me
Changing all the idiosyncrasies

They make me feel so ordinary
(Now I?d)
I?d throw it all away for you
(New side)
And turn it into something new
?Cause I just wanna be ordinary
