

Making A Memory

Plain White T's

Friday night's such a beautiful night, where you going?

I didn't mean to blow it

You're upset and I don't know what I said but I'm sorry

Don't you give about me?Take off your jacket

Don't walk out that doorYou and me, we should be

Making a memory whenever we're together, yeah

Look at me, can't you see?

We were meant to be making a memoryDon't pretend, you're not smiling again, let's just leave it

You know I didn't mean it

Don't know why we put up such a fight over nothing

We could still be somethingTake off your jacket

Don't walk out that door

There's no need to leave anymore, yeahYou and me, we should be

Making a memory whenever we're together, yeah

Look at me, can't you see?

We were meant to be making a memoryCan't do this myself

No, I need some help, wanted some helpFriday night's such a beautiful night

Now you're stayingYou and me, we should be

Making a memory whenever we're together, yeah

Look at me, can't you see?

We were meant to be making a memoryFriday night's such a beautiful night now you're staying

(Making a memory, making a memory)

Don't know why we put up such a fight over nothing

(Making a memory, making a memory)
